KNOW BEFORE YOU GO

Q: Is COVID-19 testing free if I have Medicaid?

Yes. All Pennsylvania Medical Assistance programs, Emergency Medical Assistance, and CHIP will cover COVID-19 testing without a co-payment.

Q: Can I get tested if I am uninsured?

Yes. All listed sites provide free COVID-19 testing to people who are uninsured.

Q: How can I apply for Medicaid?

Apply by phone at 1-866-550-4355, online at www.compass.state.pa.us, or in person at your local County Assistance Office (CAO).

Q: Can I get tested if I am not a US citizen?

Yes. Testing for COVID-19 never requires proof of citizenship. You can get tested regardless of your immigration status.

KNOW BEFORE YOU GO

Is COVID-19 testing free if I have Medicaid?
Yes. All Pennsylvania Medical Assistance programs, Emergency Medical Assistance, and CHIP will cover COVID-19 testing without a co-payment.

Can I get tested if I am uninsured?
Yes. All sites listed here provide free COVID-19 testing to people who are uninsured. Check with the site for the most recent information regarding cost.

How can I apply for Medicaid?
Apply by phone at 1-866-550-4355, online at www.compass.state.pa.us, or in person at your local County Assistance Office (CAO).

Can I get tested if I am not a US citizen?
Yes. COVID-19 testing never requires proof of citizenship. You can get tested regardless of your migration status. Test sites often request ID for the purpose of correctly matching test results, but your information will not be shared outside of the test site.
